

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (currently amended) A hand-operable fluid dispensing meter comprising:

a solenoid valve having at least first and second non-zero flow positions;

a meter for measuring the amount of fluid dispensed by said meter;

an operator-controlled switch having at least first and second non-zero flow controlling positions; and

controls for receiving the position of said switch and operating said solenoid valve accordingly.
2. (original): The fluid dispensing meter of claim 1 further comprising means for receiving dispense authorization from a source external to said meter and allowing the dispense to take place.
